Dominion Colour Corporation (DCC) is pleased to announce that, as of May 1, 2017, DCC Europe has been registered to the ISO 9001:2008 Quality Management System standard.

The scope of the DCC Europe registration includes world-class specifications for customer service and related administrative functions provided by the Wilmslow office to ensure quality, safety and efficiency.

Since November 1995, DCC has been certified to ISO 9001 Quality Management System standard by our registrar, Quality Systems Registrars (QSR). Expanding our registration to now include the DCC Europe Wilmslow office solidifies our key quality commitment “to satisfy customers’ needs and expectations through our products, services and communications”.

DCC’s ISO 9001 Quality Management System will continue to support innovation and provide solutions to global challenges through our ongoing commitment to customer satisfaction and improved productivity.
