## **Dominion Colour Corporation Welcomes New Senior Leadership Team Members**

**Peter Baggen**  
Vice President of Sales

**Probyn Forbes**  
Chief Operating Officer

Toronto, Canada (March 23, 2017) – Dominion Colour Corporation (DCC) recently welcomed two additions to its senior management team, Probyn Forbes joins the company as Chief Operating Officer (COO) and Peter Baggen as Vice President of Sales.

“Probyn and Peter bring significant experience in their respective fields to the DCC team. We are excited to welcome them to the company and I am confident their wealth of experience will help us continue to grow our business,” said Mark Vincent, Chief Executive Officer, Dominion Colour Corporation.

Considered an industry expert in the colorant/pigment market, Probyn Forbes has held senior operations and supply chain roles in the colorant/pigment divisions of Evonik colorant business, Tekni Plex Colorite Division and most recently and most recently served as VP, Operations at Swan Products. As COO, he oversees the DCC operations in Canada and the Netherlands, including manufacturing, supply chain, procurement, engineering, quality control and health and safety. He joined the company effective March 1, 2017.

In January 2017, DCC also welcomed Peter Baggen as Vice President, Sales with responsibility for ensuring the company’s global sales performance working from the DCC Maastricht, Netherlands offices. He has worked in the pigments and coatings industry for more than 20 years, most recently as the EMEA Business Unit Director, Paints and Plastics at FP-Pigments Oy. Prior to that he held positions with J. W. Ostendorf GmbH & Co., Chromaflo Technologies KG and CPS Color.
